ACADEMIC COUNCIL

Sub: Constitution of Academic Council – Orders – Issued.

The Academic Council is hereby constituted to provide academic advisory and decision-making support for the institution. It is responsible for planning, monitoring, and improving academic activities, ensuring compliance with the regulations of the affiliated university and relevant medical education authorities.

Objectives

- Promote excellence in medical education, research, and academic governance.
- Ensure effective implementation of the under graduate and postgraduate curriculum.
- Monitor high standards in teaching, learning, assessment, and student support.
- Foster continuous quality improvement in academic programmes.
