

S. No	Date	Details/Title	Department	Participants
1.	8th October 2016	Haem Metabolism and Disorders	Dept of Biochemistry	Teaching Faculty Undergraduates
2.	14th November 2016	Diabetes Mellitus – Focus of Management and Treatment of Diabetes Mellitus	Dept of General Medicine	Teaching Faculty Undergraduates
3.	1st December 2016	Update on AIDS, HIV Prevalence, Prevention and Treatment	Dept of Microbiology	Teaching Faculty Undergraduates
4.	25th February 2017	Haem Metabolism and Disorders	Dept of Biochemistry	Teaching Faculty Undergraduates
5.	17th March 2017 TO 19TH March 2017	Andhra Pradesh TB and Chest Diseases Conference	TB and Chest	Teaching Faculty Undergraduates
6.	7th April 2017	WORLD HEALTH DAY DEPRESSION – Let’s Talk	Dept of Psychiatry	Teaching Faculty Undergraduates
7.	17th April 2017	World Hemophilia Day	Medical Education	Teaching Faculty Undergraduates
8.	5th May 2017	World Asthma Day	Medical Education	Teaching Faculty Undergraduates
9.	5th June 2017	World Environment Day	Medical Education	Teaching Faculty Undergraduates
10.	24th June 2017	Chronopharmacology	Dept of Pharmacology	Teaching Faculty Undergraduates
11.	1st July 2017	Doctors Day	Medical Education	Teaching Faculty Undergraduates
12.	20th July 2017	Meninges	Dept of Anatomy	Teaching Faculty Undergraduates
13.	7th August 2017	Carbohydrate Chemistry and Metabolism	Dept of Biochemistry	Teaching Faculty Undergraduates
14.	Stomach – Gross Anatomy, Histology	Dept of Anatomy	18th August 2017	Teaching Faculty Undergraduates
15.	21st August 2017	Heart rate variability and pulmonary circulation	Dept of Physiology	Teaching Faculty Undergraduates
16.	25th August 2017	Diabetes Mellitus – Focus on Management and Treatment of Diabetes Mellitus	Dept of General Medicine	Teaching Faculty Undergraduates
17.	1st September 2017	Neurotransmitters and its Physiology	Dept of Physiology	Teaching Faculty Undergraduates
18.	11th September 2017	Minerals and its metabolism, Different function test	Dept of Biochemistry	Teaching Faculty Undergraduates
19.	25th September 2017	Immunization and Infection	Dept of Paediatrics	Teaching Faculty Undergraduates
20.	14th October 2017	The essentials of sample collection and Handling	Dept of Pthology	Teaching Faculty Undergraduates
21.	1st December	Update on AIDS, HIV prevalence, prevention	Dept of	Teaching Faculty

S. No	Date	Details/Title	Department	Participants
	2017	and treatment	Microbiology	Undergraduates
22.	21st December 2017	Immunization and Infection	Dept of Community Medicine	Teaching Faculty Undergraduates
23.	3rd February 2018	Ancillary Techniques in Modern day medical practice	Dept of Pathology	Teaching Faculty Undergraduates
24.	10th February 2018	Poisons - Toxicology	Dept of Forensic Medicine	Teaching Faculty Undergraduates
25.	9th March 2018	Recent Advances in Malarial Diseases	Dept of Microbiology	Teaching Faculty Undergraduates
26.	21st April 2018	Update on Malaria	Dept of Microbiology	Teaching Faculty Undergraduates
27.	9th June 2018	Medical Education Workshop	Medical Education Unit	Teaching Faculty Undergraduates
28.	11th August 2018	Immunization	Dept of Paediatrics	Teaching Faculty Undergraduates
29.	13th October 2018	Substance Abuse and Pharmacovigilance	Dept of Pharmacology	Teaching Faculty Undergraduates
30.	17th November 2018	Inborn Errors of Metabolism	Dept of Biochemistry	Teaching Faculty Undergraduates
31.	14th September 2022	Recent Updates of Human Ethics	Research Development	Teaching Faculty Internees
32.	8th September 2024	Limbic System with Clinical Implications	Dept of Anatomy	Faculty, Undergraduate Postgraduates
33.	1st February 2024	Research Methodology and Biostatistics	Research Development	Postgraduates
34.	2nd February 2024	Research Methodology and Biostatistics	Research Development	Postgraduates
35.	3rd February 2024	Research Methodology and Biostatistics	Research Development	Postgraduates
36.	26th July 2024	Journey from specimen to slide- Hands on experience in fetal tissue processing and staining	Dept of Anatomy	Faculty, Undergraduate Postgraduates
